Eight large luxury apartments and exclusive design on Marbella's Golden Mile

The apartments are located in closed and quiet complex with total security located in the Golden Mile, one of the most exclusive areas of Marbella. The project has eight luxury apartments, each one has an own pool, offering a new concept of home in Marbella, innovative and functional design never seen before in the area.

3 bedrooms / 3 bathrooms
From 275m2 to 355m2
Price: from € 2,400,000.000

The apartments have private gardens and terraces and an own pool to quietly enjoy the unique and excellent climate that Marbella offers. The spacious terraces and porches are another distinguishing feature of these exceptional apartments.

The apartments and penthouses have two or three large parking spaces, respectively and a large storage room.
